SCOPE OF SERVICES COVERED

The ICMP APP scans the piracy ecosystem 24/7 across **search engines, forums, cyberlockers, streaming sites, file aggregators and torrent sites**. We identify and send 'take down' – and under Article 17 'stay down' – notices on behalf of ICMP members for sites infringing your sheet music's graphic rights.

WHO CAN CONTRACT?

- ICMP has covered all set-up and admin fees, so **members only pay for the number of copyrights** they want the service to protect (see per-unit pricing below).
- All **ICMP companies, MPAs** and/or **MPA member companies** worldwide.
- The contract is signed directly with MUSO. Register [here](#).
